M. New Business:

4. Approval 2025/2026 Budget and Appropriate Funds. Question on supplies revenue, phone and fax, and Insurance reimbursement being budgeted at higher than current fiscal year. Question on what goes into Miscellaneous as it almost doubled, this is because monthly hotspot fees went into this budget line when the program took off. Electronic Subscriptions includes Hoopla and Libby, as well as programs like Photoshop that was necessary when the police required footage that needed to be redacted. One staff line has been reduced to \$500 as the

staff member has left employment; it is mainly to keep the line open in case someone is hired on later. Snow plowing cost has decreased over previous years. Other fees, accounting and legal, are budgeted higher than what we used in 2024-2025 fiscal year. With the audit and monthly fees, it comes out to the amount budgeted. This has not been taken out for the fiscal year yet.
