

# ADVANCED TRAUMA TRAINING

## Overview:

Dr. Sloane of the Western Michigan University Child Trauma Assessment Center will be hosting a series of advanced trauma trainings. These events will be open to service providers, child welfare staff, educators, mental health providers and others who are invested in learning about the impact of trauma in the specialized areas listed to the right.

Please RSVP to Danielle Martin at [marekd@michigan.gov](mailto:marekd@michigan.gov) a week prior to the trainings you wish to attend to allow adequate space for all attendees.
