The River Country Chamber would like you to come celebrate the North Country Trail & White Cloud with us during the 2018 Trail Town Celebration.

Newaygo County Parks will be waiving the County Park Fee for your groups. The *White Cloud County Park is located at 680 E Wilcox Ave, White Cloud MI*

We are excited to have members of West Michigan Glampers and "Unhitched" Vintage Trailer camping during this years event.

We are working on "goody" bags for all pre-registered campers and a fun vintage sticker commemorating this years event.

*Friday - Saturday  
September 21 - 22nd*

Trail Town Celebration features hikes, runs, walks and a kayak race. In addition there will be a pancake breakfast, great food, kids activities, music, beer tent & bonfire.

There are lots of great activities for the whole family!
